FRIGO

Freezer, Locker and Equipment Cleaner

DESCRIPTION:

Clear, colourless blend of surfactants, solvents and emulsifiers.

PURPOSE:

FRIGO is a liquid cleaner designed for use in areas where sub-freezing temperatures exist. It is used extensively in food storage and cold rooms which operate at -23°C.

HOW TO USE:

FRIGO is use undiluted to quickly and effectively remove soil, grime, fats, grease, etc. from concrete, quarry and ceramic tiles, terrazzo, metal and other hard surfaces. Can be used in automatic scrubbers or with rotary floor machine and sprayer. Apply manually with mops, brushes or sponges.

PRINCIPAL USERS:

Dairy plants, meat packers, food plants, cheese plants, egg washing plants, water and soft drink bottling plants, breweries, bakeries, restaurants, etc.

ADVANTAGES:

- 1) Can be use to minus 40°C.
- 2) Does not leave an offensive odour.
- 3) Works quickly.
- 4) Easy to use.
- 5) Biodegradable

PRECAUTIONS:

Avoid contact with eyes, contains Quaternary Ammonium Chloride and solvents. In case of contact with eyes, flush with water for 15 minutes and get medical attention. Can cause skin irritation, wear rubber gloves when handling undiluted material. Keep out of reach of children. Read Material Safety Data Sheet.
