## LO FOAM FE Heavy Duty Laundry Powder

### DESCRIPTION:

Yellow/brown granular detergent concentrate containing anionic and nonionic surfactants, soil suspending agents, alkaline builders, iron chelating agents and optical brighteners.

### PURPOSE:

"One-Shot" laundry detergent formulated to clean synthetics and cotton in iron containing water. Especially effective on white goods, such as towels, napkins, tablecloths.

### HOW TO USE:

Use 400 - 800 grammes per 100 kg of work. Can be used alone or with **MELROSE LIQUID LAUNDRY**. Optimum soil release will be obtained in warm to hot (55 - 70°C) temperatures. **LO FOAM FE** cycle times need to be 8 - 10 minutes.

### MAIN USERS:

Wherever laundry is done - institutions, hotels, motels, health clubs, restaurants, hospitals and industrial laundries.

### ADVANTAGES:

- 1) Economical - use only 400 - 800 grammes per 100 kg of work.
- 2) Completely built product for medium and heavy soil.
- 3) Effective in up to 20 grains hardness.
- 4) Whitens whites - Brightens colours.
- 5) Can be automatically dispensed.
- 6) Compatible with all other MELROSE laundry products.
- 7) Easy to rinse.
- 8) Formulated to eliminate rust staining.
- 9) Biodegradable.

### PRECAUTIONS:

Avoid contact with eyes, contains alkaline detergents. In case of contact with eyes, flush for 15 minutes with water and get medical attention. Can cause skin irritation, wear rubber gloves when handling undiluted material. Keep out of reach of children.  
Read Material Safety Data Sheet.
