

TECHNICAL DATA REPORT

HS 8199

OP-430 Powdered Floor Cleaner

DESCRIPTION:

Golden, granular, free flowing powder.

PURPOSE:

OP-430 is designed to clean and degrease ceilings, walls and floors.

HOW TO USE:

FLOORS: Wet floor with water. Sprinkle **OP-430** over entire floor area to be cleaned. With a long-handled brush, agitate the product onto surface to insure maximum contact with the soils. This is not absolutely necessary however, except in heavily soiled areas. Rinse with clear water.
WALLS: Make up solution of OP-430 in a ratio of 12 to 25 grams per litre of water. Apply to surfaces with spray or long handle brush. For heavily soiled areas, agitate solution with a brush. Rinse with clear water. **ALWAYS RINSE WITH POTABLE WATER THE SURFACES THAT MAY COME INTO CONTACT WITH FOOD.**

PRINCIPAL USERS:

Anyplace that has walls, floors, and doors, such as municipal offices, restaurants, hotels, motels, poultry plants, food plants, dairies, canners, cheese plants, hatcheries, bakeries, car dealers, garages, trucking companies, equipment rentals, apartment and office buildings.

ADVANTAGES:

- 1) Clean thoroughly - has the advantage of giving abrasive action because of the granular nature, but is completely water soluble.
- 2) Leaves concrete floors white - no residues left on surfaces cleaned.
- 3) Phosphate and caustic free - no danger to the environment.
- 4) Free rinsing - leaves floor non-slippery.
- 5) Dust free - no choking dust when using the product.
- 6) Approved for Food Plant Use, file # P216 c1.

PRECAUTIONS:

Avoid contact with eyes, contains mildly alkaline detergents. In case of contact with eyes, flush for 15 minutes with water and get medical attention. Can cause skin irritation, wear rubber gloves when handling undiluted material. Keep out of reach of children. Read Material Safety Data Sheet.

SPECIFICATIONS:

Appearance	Golden granular product
Odour	None
Foaming	Moderate
Biodegradable	Yes
